## Public Works Recovery Program Frowned Upon By British Spokesman

Britain is Said to be Dissatisfied at American Dominance -Caustic Remarks Made by United States Spokesmen at World Conference

LONDON, July 14: (Canadian Press)—The proposal of President Franklin D. Roosevelt of United States for an international public works construction recovery program failed to find favor with British spokesmen at the world economic conference yesterday. Rt. Hon. Walter Runciman, President of the Board of Trade, declared that such Pa plan, as an international policy
