### London and New York Banks Decide To Peg Pound-Dollar Ratio

Former to Have Value of \$5.25 in United States and Latter 61c to 62c in England—Sterling and Canadian Dollar Strong in Yesterday's Trading

NEW YORK, Nov. 29.—It was stated last night that an arrangement had been made between the Bank of England in London and the Federal Reserve Bank of the United States for stabilization of the British pound sterling and the American dollar on a basis of between 61c and 62c for the dollar in London and \$5.25 for the pound in New York.

Undoubtedly in anticipation of and announcement along these lines, the pound bounded up 7½c to \$5.19 on the local foreign exchange market yesterday while the Canadian dollar closed at a premium of 1½c, up ½c.

### Up to British

RT. HON. S. M. BRUCE

LONDON, November 29 (Canadian Press)—Rt. Hon. Stanley Bruce, Australian High Commissioner, in an address yesterday, urged countries of the British Empire to take immediate steps among themselves with a view to restoring their peoples to employment. With international co-operation apparently impossible for the time being at least, the former Australian Premier advocated a strong policy of Imperial co-operation.

### TO DICKER ON LIQUOR

United States Will Place Orders With Countries Which Lower Tariff Barriers

WASHINGTON, D.C., Nov. 29: (CP)—The United States government today notified liquor importers that it intends to use repeal to bring about a lowering of tariff barriers against American products by other countries through allocation of liquor imports after December 15.

### REPORT IS APPROVED

Newfoundland House Decides to Give Conduct of Affairs Over To Commission

ST. JOHN'S, Nfld., Nov. 29: (CP)—After voting down successive amendments which would have had the effect of moderating certain portions of the report, the Newfoundland House of Assembly last night adopted the report of the Amulree Royal Commission recommending that public affairs of Newfoundland be taken control of for a period of years by a commission under the Governor consisting of six members—three British and three Newfoundlanders, the country thus returning to the status of a crown colony until its financial problems are solved. Before the final vote, the two dissenting members walked out of the House.

The report now goes to the executive council where it is expected to be approved after which it will go into effect.

### SPEECH IS APPROVED

Liberal Attack on Nationalist Government Crushed in British House

LONDON, Nov. 29: (CP)—The House of Commons, by a majority of nearly 400, last night snowed under what amounted to a vote of non-confidence in the National government proposed by Sir Herbert Samuel and his Liberal Free Trade group, rejecting 434 to 58 their amendment to the address in reply to the Speech from the Throne expressing regret that the government in the speech had offered no definite policy to promote restoration of world trade or to develop resources and equipment of the United Kingdom. The address in reply to the Speech from the Throne was then adopted by an overwhelming vote, the Labor party adopting the extraordinary course of challenging the division and voting against the address, only to be beaten 427 to 34.
