### WORK ON HIGHWAY

Some of the men who until recently have been drawing relief pay at Prince Rupert are being sent to a military camp in Southern British Columbia. There they will be fed and clothed and given twenty cents a day for themselves.

For two years no work has been done on the highway east of here yet the men have been idle.

T. D. Pattullo, when he was in Prince Rupert, promised to see that work on the highway was continued and the men paid wages for their work. That is what they want. That is what Prince Rupert wants. To insure that this policy is carried out, the safe thing to do is to support British Columbia's next premier.

### TELLS VICTORIA ABOUT RUPERT

In an address in the Royal Victoria Theatre at the capital last week from which thousands were turned away because the large building was too small to accommodate them, T. D. Pattullo told the people of that city of the inequalities in Prince Rupert under which the fishermen suffered. He told how they fished side by side with American fishermen and then had to sell their product for less because of the tariff against them in the United States. He promised that if returned with a sufficient support in the legislature it would be his business to make representations with a view to rectifying these inequalities.

T. D. Pattullo as premier of the province will have more influence than he ever had in the past and if he can secure relief for the fishermen in this respect it will mean more to Prince Rupert than anything done by any member in the past. No other candidate would be able to rectify the situation because no other candidate would be in a sufficiently prominent position to have any influence at Ottawa or Washington or elsewhere.

## APPOINTED DIRECTOR

Dr. Neil Carter to Succeed D. B. Finn  
At Fisheries Experimental Station

Dr. Neil Carter, chemist at the Departure Bay Biological Station near Nanaimo, Vancouver Island, will arrive in Prince Rupert early in November to succeed D. B. Finn as director of the Prince Rupert Fisheries Experimental Station. Mr. Finn is leaving Prince Rupert in December for England to take up three months' special work at Cambridge University after which he will become director of the Halifax station of the Biological Board of Canada.

The transfer of Mr. Finn as well as the appointment of Dr. Carter as his successor are subject to ratification at a meeting of the executive of the Biological Board of Canada to be held in Ottawa on November 4.

## DELEGATE IS NAMED

M. Litvinoff Coming From Russia  
To United States to Confer  
With Roosevelt

WASHINGTON, D.C., Oct. 23: (CP) — President Franklin D. Roosevelt, in a letter to Mikhail Kalinin, president of the Soviet Republic, invited him to send a representative here "to explore with me personally all questions of standing between our countries." Kalinin has cabled his acceptance and designated M. Litvinoff, commissar for foreign affairs, to come to Washington.

### Man in the Moon

Good day! Are you ready to vote?

Jake says he is going to vote for Prince Rupert. Which ever candidate can do most for the city will get his support.

My advice to political gamblers is don't bet but, if you do, see how much you can get against Pattullo and take it.

A correspondent sends a little ditty which should be sung to any old tune it will fit:

Mr. C. C. F. is slipping,  
For his leaders all are biffing.  
The skid is greased to let him go,  
Miles and miles away below.

Mr. C. C. F. is slipping,  
Slipping, slipping, slipping, slipping.  
Let him slip, why try to stop him?  
Let his program go atop him.

Mr. C. C. F. is slipping,  
All his promises are ripping;  
Down the skids he goes to Hades,  
He's abouts with men and ladies.

Mr. C. C. F. goodbye sir,  
We'll say it soon without a sigh, sir.  
On election day you'll go sir,  
Oblivion's your fate I know sir.

## WINTER IS NOW HERE

Heavy Frosts Recorded Over Week-End With Black North Wind And Snow Blizzard Today

Continuation of an unseasonably early cold snap brought freezing temperatures to Prince Rupert over the week-end and a snow blizzard this morning which, however, gave signs of changing to rain early this afternoon although it was still cold with the wind continuing in the northeast.

The minimum official thermometer reading for the week-end at Digby Island was 24 above at 4 o'clock Sunday morning. This morning at the same hour it was 25 above.

The barometer was falling today, indicating continued snow or rain. At sea a storm was reported and even the harbor here was being whipped to white caps.

Although various coast weather stations reported northeast wind, the steamer Prince John was reported stormbound at Jedway with a southeast gale.

Rain was reported from Victoria and Estevan with generally stormy weather conditions.

All central interior points reported by Government Telegraphs have cloudy skies with north wind with snow at Burns Lake. Freezing temperatures were reported from all points.

The Canadian Press reported snow in Kamloops today while heavy falls were reported from various sections of Alberta and Saskatchewan.

Today's weather report: Prince Rupert—Snowing, strong northeast wind; barometer, 29.86; temperature, 30; sea rough.

Dead Tree Point—Snowing, fresh northeast wind; barometer, 29.64; temperature, 30; heavy swell.

Triple Island—Overcast, strong northeast wind; sea choppy.

Langara Island—Overcast, strong northerly wind; sea choppy.

Terrace—Cloudy, north wind, 19.

Aiyansh—Cloudy, north wind, 19.

Anyox—Calm, cloudy, 20.

Stewart—Cloudy, north wind, 20.

Hazelton—Cloudy, strong north wind, 15.

Smithers—Cloudy, east wind, 12.

Burns Lake—Snowing, calm, 7.

The salmon saltery Princess Ena, which grounded on a reef at Skinkut Inlet, Queen Charlotte Islands, on October 9, being later refloated and beached at the head of Harriet Harbor, Jedway, is still there receiving temporary repairs before being taken on to Vancouver for permanent reconditioning.

## Defends Crown

PRIMO CARNERA

ROME, Oct. 23: (CP)—Primo Carnera gave Paulino Uzcudun a bad beating, taking every stanza in a fifteen-round defence of his world's heavyweight title here last night. At one stage of the fight the hostilities had to be stopped so the Bounding Basque could have his battered eyes patched up. It would have been a technical knockout in the United States.

## CRIBBAGE SCHEDULE

Play Will Get Under Way Tonight; Whist and Bridge on Thursday

With eight teams—Canadian Legion, Moose, Musketeers, Grotto, Oddfellows, Prince Rupert Hotel, Elks and Empress—entered, season's play in the Prince Rupert Cribbage League will get under way tonight.

## The Letter Box

THANKS FOR CONTRIBUTIONS

Editor, Daily News:—

The response to the appeal for used clothes was very gratifying. The committee never expected 1500 articles but this was the result. We feel that good use will be made out of these garments, as most of them are in good condition.

We wish to thank you, sir, for your valuable space used in this campaign and the public for their prompt and general support.

We wish to thank also Q. & S. Grocery, Gordon's Hardware, Ormes Ltd. and Watts' Grocery for collecting and delivering parcels and everyone who in any way assisted in this campaign.

May we ask that all those who need any clothes to get in touch with the Salvation Army?

## HIGH WINS ONCE MORE

Defeated Booth School 5 to 1 Junior Football League

King Edward High School added another victory to their list when they won from Booth Memorial School by five goals to one in a regular Junior Football League fixture on Saturday.

Play in the first half was even until Cameron miskicked to let McMeekin through and from the latter's pass, Houston scored. Booth forwards were combining well and threatened danger repeatedly but Blake was very safe, one stop from Holkestad being very clever. Jack Ritchie had hard lines with several tries.

With the hill in its favor, High School had the best of the second half. In the first minute Krause saved on the line when Houston centred a high shot but Houston got it to add a second and later, after miscalculation by Booth backs, added a third. The sun was bothering the Booth team. From a penalty for handling, Jack Ritchie scored for Booth. High attacked and McMeekin and Grimble added further goals.

### Teams

High—Blake, Unwin, Bob Ritchie, Onslow, Veitch, Lear, McGreish, Grimble, Houston, Irvine, McMeekin.

Booth—Krause, Cameron, Eastman, Clausen, McKay, Rice, Husoy, Carlyle, Jack Ritchie, Davis, Holkestad.

High was best served by Blake, R. Ritchie, Veitch, McGreish and Houston. For Booth, Krause, Eastman, McKay, J. Ritchie, Husoy, Holkestad and Carlyle were best. J. N. Kelly refereed and Guile and A. Ritchie linedmen.

The league standing to date:

	W	D	L	F	A	P
High	4	0	0	18	3	8
Booth	1	0	3	4	12	2
Borden	1	0	3	2	9	2

## Man is Killed In Fall From Burrard Span

VANCOUVER, Oct. 23: (CP)—John Massie Bean, aged 40, of Vancouver, was instantly killed when he fell or jumped ninety feet from Burrard Street Bridge to the waters of False Creek on Friday. The tragedy was witnessed by a woman passerby. Bean was dead when taken out of the water by police officers. It was the first casualty of its kind from Burrard Street Bridge.

E. Willie, who owns the Terrace Hotel, has had the beer parlor closed on account of a technicality in regard to his citizenship.
