Was So Short of Breath Could Not Lie Down to Sleep

Mrs. P. J. Chernoff, Shoreacres, B.C., writes:-

I couldn't do any hard work, or climb the stairs, and had nervous and smothering feelings, and became very weak. I tried all kinds of medicine, but could get

relief until after I had taken three boxes of Milburn's Heart and Nerve Pills, and since then I have felt better in every way."

New Puffed Grains crammed with energy ... crisper than ever before!

Don't be satisfied to let your children refuse cereals. The new "twice-crisped" Puffed Grains appeal where all other cereals fail. They provide energy in a form that tempts the sleepiest appetite.

Puffed Grains are "shot from guns"-steam exploded, so that every food cell is broken open to digest easily. A single dish with milk and sugar, gives more energy than baked potato or a lamb chop.

Get the generous sized, 'Seal-Krisp" package that keeps in all the goodness and freshness. At all grocers—at new low prices.
