## Railway Traffic Is Delayed By Washout In Kitwanga Region

Westbound Train Held Up More Than Twenty-Four Hours and is Due After Midnight—Eastbound Being Held Over Until Tomorrow Afternoon

Due to two washouts between Andimaul and Kitwanga, railway traffic on the local line of the Canadian National Railways has been interfered with again. The line is blocked and the train, which was to have arrived from the east at 10 o'clock last night, was unable to get through and is not expected to arrive until after midnight tonight. The

rain, which was to have left at 5:30 this afternoon for the east, will not be sent out before the same hour tomorrow afternoon, accord-OWN LIFE ing to present plans. Wrecking crews were busy today bridging the

The washouts were due to continued heavy rains and high water in the interior. There have also been some small mud slides at other That deceased came to his death points along the line but these have by suicide by cutting his throat been taken care of as they came while temporarily deranged was the down and the grade between here verdict returned by a coroner's jury and Pacific was reported this afwhich investigated the death at ternoon to be in fair condition with
