United States Chief Executive Makes it Clear That no Agreement Has Been Made to Postpone June Payments or Plan For Settlement Made

WASHINGTON, D.C., April 27: (Canadian Press)-President Franklin D. Roosevelt is willing to consider war debt revision after the world economic conference but it was emphasized authoritativey at the White House today that he had entered into no agreement for postponement of the June 15 payments or laid down any plan of debt try are almost inaccessible by Central Hotel which position he held

Simultaneously, at the State Department Secretary Cordell Hull invening of the London economic conference in June, is under consideration and that the United States is favorably inclined towards it.

In regard to war debts, Secretary Hull states that, after further conversations with debter nations justment may be worked out for the payments on June 15 but that stage has not yet been reached.

Secretary Hull doubts that any trade agreements with Canada can be concluded in the short time remaining before the world economic

Reciprocal Concessions Made Between Britain and Germany-Pact With Argentina

LONDON, April 27: (Canadian Press)-Reciprocal trade and tariff concessions between Germany and Great Britain were announced today.

The quota for British coal exports to Germany has been nearly doubled and, in return, the United Kingdom makes tariff concessions over a limited field.

Announcement was also made today of the conclusion of a trade agreement with Argentina.

Toronto Prospectors For Northern British Columbia to Investigate Placer Field Found Two Years Ago

TORONTO, April 27:-News of the finding of new placer gold areas in Northern British Columbia at headwaters of the Yukon and its tributaries is confirmed by J. E. Hammell, president of Northern Aerial Minerals Exploration. A few weeks ago a party of N.A.M.E. engineers and prospectors left Toronto for the far north and, while their exact destination is still un-

ther investigate placer gold findings that have been kept under cover for two years. The party was flown from Waterways north and crossed over from the Mackenzie River to near the headwaters of the Yukon.

waters of rivers and creeks than serious. had been possible before. They had found gold in a number of places PASSING OF and the present expedition was for the purpose of more detailed invesigation. Going into the country in the winter season saved several weeks of valuable time during the break-up period that would have Louis Martin, Formerly of This City, been lost if the expedition waited for sumer flying.
