MOTORBOAT RACE FILM

Fast-Moving Comedy Drama Presented at Capitol Theatre Here

A fast-moving motorboat racing thriller comes to the screen of the Capitol Theatre here as the feature offering for the first of this week in "Fast Life," starring William Haines and Madge Evans with such well known actors as Cliff Edwards, Conrad Nagel and Arthur Byron in important supporting roles.

The story is that of a young motorboat mechanic and his assistant who are determined to get backing for a new type of engine. They finally get a wealthy boat builder to construct a craft using their plans but they have a serious accident and resort to piracy among the millionaires' yachts in the harbor. The two speed demons eventually get the boat in international competition which leads to a smashing climax.

There is a fine blend of comedy and drama in the picture which features some hair-raising boat-racing scenes at Catalina Island and Los Angeles Harbor.

MADE SALE POTATOES

Bulkley Valley Product Marketed in Prince Rupert as Result of Little Effort

Splendid potatoes were being given away or fed to pigs in the Bulkley Valley until the board of trade at Smithers took the matter up recently and with the support of the Prince Rupert Chamber of Commerce, secured a market for them. A carload of 23 tons was shipped to the city last Monday for distribution through Jack Preece from the farms of Charles D. Sieh and Alex. and William Bruce. They were of the Gold Coin variety.

Mr. Sieh had about 100 tons of potatoes this year and was unable to market them. He fed a quantity to pigs, gave away others and used some for fertilizer. Then, when L. B. Warner and Charles Reid of Smithers were in Prince Rupert for the assizes, they thought potatoes being served in restaurants here were inferior to the Bulkley variety. They started the agitation which resulted in the potatoes being sold here.

Bringing in some 100 passengers most of whom were round trip tourists to Alaska returning south, C.P.R. steamer Princess Louise, Capt. Arthur Slater, completing her first voyage of the season to Skagway, arrived in port at 4 o'clock Saturday afternoon from the north and sailed an hour and a-half later for Vancouver. Ten passengers left the vessel here while about half-a-dozen embarked here on board her for the south.

The Letter Box

OPEN LETTER TO THE COMMISSIONER

Dear Sir:—

The critics are beginning early on you. The school question is the topic of the day amongst those on relief. Every move you make will no doubt be criticized, principally by the non-taxpayers. They forget that you will have to make good to the bondholders and that we are so far in debt that it will take years to get out at the best we can do. So—borrowing your language—"it behooves us all to pull together" and do our best to shorten the time until we are all right again. More power to you.

TAXPAYER.

(This must end the open letters. In future all letters must be addressed to the editor, just as at a public meeting speakers must address the chairman and not individuals in the audience.)

A. J. Phillipson, pioneer fur dealer of this city continues to make good recovery at the Vancouver General Hospital in Vancouver where he had his leg amputated above the knee recently. Accompanied by Mrs. Phillipson, who has been in the south with him, he is expected to return to Prince Rupert in about two weeks' time.
