Low Halibut Price Causing Worry Among Canadian Fishermen—Herring Run Now on—Fleet Cafe Reopens For Season

Any little soreness in the throat grows rapidly worse if

neglected. Crush some tablets of Aspirin in some water,

and gargle at once. This gives you instant relief, and

reduces danger from infection. One good gargle and you

can feel safe. If all soreness is not gone promptly, repeat.

There's usually a cold with the sore throat, so take two

tablets to throw off your cold, headache, stiffness or other

cold symptoms. Aspirin relieves neuralgia, neuritis, too.
