NO MORE SICK HEADACHES

Fruit-a-tives end years of pain

"I suffered exceedingly with indigestion and sick headaches for years. I could hardly eat anything and was badly constipated. I realize now, of course, that I was in a very run-down condition. Fortunately for me a neighbor recommended 'Fruit-a-tives' and I began taking them. I am certainly glad I did. They regulated my system and toned me up generally so that now I am in the best of health. I would not hesitate to recommend them to anyone."

SMALL BOTTLE CONQUERS MOTHER'S COLD AND BANISHES BABY'S COUGH

Here is just another instance amongst thousands that goes to prove there is "nothing like BUCKLEY'S MIXTURE" for coughs, or colds. But we'll let Mrs. Haden, of Todmorden, tell the story herself.

"Recently, I had such a cold I couldn't speak. I got a small bottle of BUCKLEY'S MIXTURE and in a couple of days my cold had disappeared. My 18 months old baby coughed a great deal at night. I gave him a few drops of BUCKLEY'S MIXTURE on sugar. It stopped his cough entirely and now he sleeps the night through."

That is one great feature of Buckley's — you can give it to a baby with the same perfect safety as you can to a grown-up. If you have a cough, cold, 'flu or bronchitis, get a bottle of this remarkable remedy today—It acts like a flash—a single sip proves it. Buckley's Mixture is sold everywhere. Refuse substitutes.
