A POLITICAL SHADOW

Friends and opponents must be impressed with the tra- tional Railways, with P. Cosgrove. gedy of Mr. Bowser's last political effort. The old man is of the Department of Trade and feeling the strain of the campaign and is reduced physi- Commerce, who were associated tocally almost to a shadow. He never has been a leader for gether in preparing the joint Canathe only fight he entered into he lost. That was in 1916, dian exhibit. Throughout the Tolmie regime he and a few followers kept up a continuous barrage against Premier Tolmie. It of Tolmie retiring and giving place to Bowser as Conservative Premier.

Now Mr. Bowser is heading what he calls a "non-parti- tion bureau has been established at drawn Franz Hals, one of the probzan" party while Dr. Tolmie is the sole nominated repre- the Canadian ehibit, manned by a able starters, with the possibility sentative of a "unionist" pacty. The chief supporters of staff of six, where every character of winning a big prize. He stands to each are ultra-conservatives.

Vancouver supporters of Mr. Bowser are wondering if through the Exposition and other son. he will be able to carry on until election day. In fact, there efforts planned in the United is some doubt of his being able to make the promised nor- States, Canada will attract a very thern tour.

Mr. Bowser, in his fighting days, had many estimable characteristics. With Premier McBride to give the people the southern half of the great hall recently Agent-General for Alberta After McLarmin had, apparently, inspiration, he was a very useful attorney general. When he nosed McBride out of the premiership and essayed to ing of the Century of Progress. The Irish Hospitals Sweepstake on the infighting, the Irish-Canadian conlead the party, it was a different story. The inspiration, which fed the political party, was gone and nothing remained but the loaves and fishes. The party disintegrated and Tolmie was chosen to put life into the dry bones, which he did most effectively.

Tolmie having failed as an administrator, when he might have succeeded if Bowser had helped him instead of hindered, the ultra-Tories looked around for some tool to enable them to retain power. The Bowser filibustering was still continuing and the aged politician still had dreams of hibit, a magnet for visitors old and heading a British Columbia administration. No other pro- young. You may pass for half an minent man could be persuaded to take the job of heading hour in front of splendidly conoff the Pattullo boom. Even they are now beginning to take note of the feet of clay and the shoddy pedestal and are doubting the sudden conversion to political saintship.

THE MUTUAL LIFE Assurance Company

OF CANADA

is noted for its

SATISFIED POLICYHOLDERS

- The following proofs of the confidence and satisfaction of Mutual Life policyholders are particularly impressive in these strenuous days when values are being tested in the light of hard experience.
 - One-third of the total NUMBER OF POLICIES issued this year has been on the lives of existing policyholders.
 - Almost one-half of the total VOL-UME OF BUSINESS this year has been on the lives of existing policy-
 - The Mutual Life has the lowest lapse ratio for all Canada according to available reports. First position is held in six provinces, and in one only it ranks lower than second.

Waterloo, Ont.

The service, solid strength and integrity behind every policy are responsible for this expression of confidence. which is fully justified by the unique record of the Mutual Life covering a period of over 60 years.

Please send me the booklet "Mutual Achievements," also

information regarding a

Policy for myself.

RAPIDS AS ATTRACTION

Preliminary Steps Being Taken to Cut Trail to Butze From Highway

T. Ross Mackay has arranged for a small group of volunteers to begin the work on Saturday of this week of cutting a trail from the highway until it is finished.

Mr. Mackay thinks Butze Rapids is one of the scenic attractions of the place and a road to it would be a paying investment from a tourist point of view. However, the first thing is to have a trail and also to make it possible to see the rapids from the highway.

The matter was brought up at a recent ratepayers' meeting and it is proposed to enlist public support to a greater degree as the work ad-
