evening and Monday on his way to Ottawa to meet Pre- chings. Gertie Pettipiece, John western premiers and the co-operation of Premier Bennett in securing facilities for laying his plans before the other all a merry Christmas on behalf of premiers at a conference at Ottawa. Nothing but fair sail- the pupils and teachers. ing has been experienced so far, and there is reason to believe that the conference at Ottawa will deal sympathetically with the proposals which will be made there.

PRINCE RUPERT'S PROBLEM

Prince Rupert's problem is closely bound up with the a "work and wages" program is adopted the northern warmly complimented the staff into the wood sheds, etc. transprovincial highway from Prince Rupert to Jasper and the older boys of the school for will undoubtedly be included in the public works plans their excellent work in fixing up which are being advanced. If this can be carried out as a federal project or a provincial project financed or assisted by Ottawa, it is pretty well assured that real work will be WAS ONCE done on it and that it will be carried through to completion within a reasonable period. It is the one thing that Prince Rupert wants more than anything else just now.
