Arrangements have been completed whereby a visiting basketball team from Kincolith Indian fillage will play the local Grotto quintette in the Auditorium next Tuesday night. It is well remembered by those who followed basketball a few years ago when the Cincolith basketball team played! n the city league that they are a tlashy group of players and always gave the local hoop boys all the competition that they asked for it not more. Both the Gratto and the Kincolith teams are rangy players depending much on their checking so, without a doubt, this tussle will be well worth watching.

He thought of a spiritual kingdom service rendered by the compelling in which God's will would be done power of brotherhood leading to the
