RAIL LINE

W. G. Smith, Fireman on Ditcher, Loses His Life in Derailment; Engineer Mogdon Injured

fireman, was killed and Gus Mogdon, also of Smithers, engineer, was slightly injured at 4 o'clock Tuesday afternoon when a ditcher of the Canadian National Railways derailed at the portal of a tunnel just east of New Hazelton. The ditcher had been working on the clearing of a slide on the main line in the Bulkley Canyon and was being pulled into New Hazelton to go on the side track, to let the regular westbound passenger train pass when the accident occurred. The ditcher was knocked off the flat car on which it was riding and turned over into the muddy grade. An inquest is being held at Smithers

Rupert was delayed for seven hours, arriving at 5 o'clock this morning. Traffic was back at normal on the line today with trains moving on schedule again, the train for the east being scheduled to leave on time at 5:30 this afternoon.
