CAUSE OF DIRIGIBLE AKRON DISASTER IS STILL MYSTERY

Surviving Officer Does Not Believe Great Ship Struck By Lightning

Lieutenant-Commander Wiley Gives Personal Story of Catastrophe But Declines to Theorize—Search For Survivors Continues

NEW YORK, April 5:-As destroyers and other naval vessels maintained grim vigil since the catastrophe shortly after midnight yesterday morning in the diminishing hope of rescuing further survivors of the disaster, the dark and sullen waters of the North Atlantic Ocean today still held secret the key to the mystery which caused the total de-

Pattullo's Appeal for Departmen | doubt that the dirigible was actually of Industries Rejected by Legislature Yesterday

VICTORIA; April 5-(CP)-On a struggled for several hours, the real straight party vote, an amendment cause of the disaster is now quite by T. D. Pattullo, Leader of the uncertain. Opposition, to retain a sum of \$1 .in the Loan Act of the province for the Department of causes of the disaster but will rendustries was defeated in the Legislature yesterday.

Hon, J. W. Jones, minister of finance, said that the province had lost hundreds of thousands of dollars in bad loans.

Mr. Pattullo commented that the Department of Industries had been brought into being to aid returned men and said that the present government had made bad loans, who was on watch in the right of The present situation, Mr. Pattullo the control room with Commander said, was comparable to 1920, when F. C. McCord, commander, in the thousands of returned soldiers left, was interviewed in his hospital were thrown back into civilian life. room here last night by newspaper-

Fifty-Ton Mill To Be Installed On Prince Rupert Mineral Group

Property Turned Over to Vancouver Purchasers Under Deal Completed by E. C. Stevens-Development On Large Scale Planned

SKIDEGATE, April 5:-E. C. Stevens has just returned from a trip to Vancouver where he put over what is thought to be one of the largest mining deals of recent years in the north. He sold the well known Prince Rupert group of claims on the west coast of Graham Island to Basil G. Hawkins & Co. of Vancouver.

The purchasers of the claims, it# is announced, will at once install a HOLD-UP IN a larger mill later in the summer.

Mr. Hawkins and his engineer, Mr. Turner of Vancouver, will visit the Queen Charlottes by airplane the plane will be kept at the islands for the summer in connection with the mining operations.

It is understood that local men will be employed and union wages

Mr. Stevens said that, while in Vancouver, he found many prominent businessmen of that city turnng their attention to the gold possibilities of the Queen Charlottes and he thinks there will soon be great as the one now in the Cari-
