Simple Rules for LOSING FAT

Common sense will do far more for you than any so-called panacea for taking off unwholesome extra fat. Just live regularly. You don't need to starve yourself. Eat enough to satisfy the demands of your body, but just be careful not to eat too many greasy, starchy foods, such as potatoes, sweet corn, fat meats, etc. Add above all, be sure of complete elimination of body wastes.

Don't just take it for granted that there's nothing wrong with your eliminative system because your habits are regular. Regularity deceives thousands who, if they only realized it, could enjoy perfect health and proper weight all the time.

Once or twice each week enjoy a bracing, sparkling glass of Andrew Liver Salt. Andrew will help Nature to effect complete elimination, and so will help your body to throw off unwanted and unwholesome weight.

The occasional sparkling glass of Andrew Liver Salt will purify and invigorate your whole system and ward off the "little ills." It will prevent those days of heavy body weariness and periodic attacks of headaches and indigestion. And it will help Nature bring you down to your proper weight.

Try this common-sense way to get rid of surplus body-wearing fat. Eat moderately and take Andrew occasionally. Ask your druggist for Andrew Liver Salt. In tin, 25c and 50c. New, large bottle, 75c. Sole Agents: John & Huston Co., Ltd., Toronto.

PICKFORD PLAY HERE

"Sweetheart of America" Surrounded With Fire Cast in "Secrets" At Capitol Theatre

Surrounded by one of the largest casts in her long career Mary Pickford comes to the Capitol Theatre this week-end in "Secrets," an adaptation of the celebrated stage play. The story is a simple one of love and elemental emotions, with no wise-cracking and no sophistication.

The play is in three sections, showing Miss Pickford as a young girl, as a young woman and as a middle-aged woman. From beginning to end there is breath-taking action.

Leslie Howard, English star, is Miss Pickford's leading man while Mona Maris plays the part of the "other woman." C. Aubrey Smith, Blanche Frederici, Doris Lloyd, Ned Sparks and Bessie Barriscale are among other important members of the cast.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, arrived in port at 2:45 this afternoon from Vancouver and way points and will sail at 10 p.m. on her return south.

The sentries who will stand guard at the Cenotaph tomorrow in connection with the annual Remembrance Day service will be: Chief Petty Officer John Gibson, D.S.M., representing the Royal Navy; Private Alex Maclean, the Glasgow Highlanders, Imperial Private James Watt, Sixteenth Canadian Scottish, Canadian Expeditionary Force; Trooper L. Richardson, Royal Canadian Dragoons, Canadian Expeditionary Force, and Company Sergeant Major H. A. Ponder, Northern B. C. Regiment, Second Canadian Mounted Rifles, Canadian Expeditionary Force.

FINE REMEDY FOR ACID STOMACH

Four out of five people have acid stomach whether they know it or not. Pains after eating, belching, gas, and bloating are all signs of too much acid. A spoonful of Bisulphated Magnesia after meals will overcome this condition within three minutes—any druggist will tell you that. Try it and see.

For Baby's Bath

More than that of any other member of the family, baby's tender, delicate skin needs the greatest care and attention. The soft soothing oils in Baby's Own Soap make it specially suitable for babies, and its clinging fragrance reminds one of the roses of France which help to inspire it.
