Depression Solution

Has Done So in Past and May Do So Again-Roosevelt Sets Up Machinery to Buy Metal in World Market And Further Boosts Domestic Price

FORT WILLIAM, Ont., Oct. 30: (CP)-The Minister of Mines of Ontario, speaking here, said that Canada's gold would go to the highest bidder and an impetus would be in given to gold production. "Gold has been the means of lifting the world out of many previous depressions and I am convinced that gold will be the means of leading out of the present one," he declared.

Another Price Boost

It is almost axiomatic that a man, to have real friends, must have real enemies and as Mr .Bowser had plenty of the latter, he had by the same token, many of the former, attached to him by such powerful bonds of friendship that ney refused to give him up as their leader in spite of all the blows dealt him by fickle fortune. And this accounts for the fact that lifelong friends, not only of his own party Graf Leaves Akron For Germany but of other persuasions as well, tied their political fortunes to his chariot and remained with him to the end.

We like to think of him as entering this final political test with prophetic insight, knowing it to be his last, ter a flight from Rio de Janeiro to but deliberately scorning an old age of indolence and ease the Century of Progress Exposition that he might die the warrior on the field of battle.
