"The prettiest rag rugs I ever saw"

"I feel I should share with you a wonderful compliment I had on my new rag rugs," writes an appreciative Three Rivers woman. "A wealthy lady from the City of Quebec was visiting here and saw the rag rugs I had just finished. She was so enthusiastic—said she had never seen such artistic ones, with such rich, lovely colors. She asked me if I bought new materials to get such beautiful color effects. When I told her I had dyed my old scraps with Diamond Dyes, she simply couldn't believe it. Of course I'm very proud of my rugs. Besides being beautiful colors, they are fast and washable." In the popular new art of rug making women are finding again the real value of Diamond Dyes for permanent dark colors *by boiling*. No other dyes make old materials look so new and rich in color, because no other dyes contain so much of the finest aniline colors. For light dainty shades *without boiling* for lingerie, summer blouses and dresses, use the wonderful new Diamond Tints. All drug stores have both Diamond Dyes and Diamond Tints.
