EAT WHAT YOU WANT ... NEVER A PAIN ...

Fruit-a-tives Give Sure, Lasting Relief

Bad habits . . . of diet . . . eating too fast . . . pills, tablets, powders—acute indigestion and finally chronic dyspepsia, the curse of the age! FRUIT-A-TIVES save thousands—they are so simple . . . so natural and so inexpensive.

The men in the picture were just coming out from a restaurant after lunch. At the street doorway one of them was seized with a pain under theheart, the signal which has been the first, unheeded warning for so many. Indigestion . . . Gas pressure . . . A sudden pain . . . The heart stops! Papers report such cases every day. Why do people continue to suffer the miseries, agonies and fatal risks of indigestion? Because so few understand.

Your system must *co-operate*

To treat indigestion and all the diseases of the digestive tract you must understand that the stomach is only *one* of FIVE vital organs concerned with the digestion of food and the disposal of waste—*(1)* Stomach—*(2)* Liver—*(3)* Bowels—*(4)* Kidneys—*(5)* Skin. No one link in the chain can fail. A failure in any one of these five organs affects all the others. FRUIT-A-TIVES are based upon this vital *co-operative* principle. They are the prescription of a past president of the Ontario College of Physicians and Surgeons, a graduate in medicine from Edinburgh University, and a post graduate of a famous European hospital.

This Canadian Physician gave fifteen years of his life to research into the active principle of fruit juices—oranges, apples, prunes, figs and certain medicinal herbs. He did what no other doctor has ever done.

Thousands Have Benefited

To-day in tablet form, Fruit-a-tives are literally *changing the lives* of former sufferers from dyspepsia . . . indigestion . . . constipation . . . backache . . . rheumatism . . . and all the ills that follow indigestion and faulty co-operation of the five vital organs of digestion and elimination.

YOU try them. Your druggist has them. 25c. and 50c.

"For years I was tortured with terrible Indigestion and Headaches. Then I saw 'Fruit-a-tives' advertised and tried them. My stomach trouble has gone entirely, bowels are regular, no headaches. I enjoy my meals, sleep nights, work all day and never feel tired. I recommend Fruit-a-tives highly." (Signed . . . . .).
