Ald. Basso-Bert in the desirability of keeping a receiver out if possible. He was not familiar with the exact financial position of the cty but he believed it to be very serious. In forestalling receivership, Ald. Rudderham thought that it would be advisable, rather than opposing the court action unless the city were in position to show its ability to carry on, to send a strong memorandum to the provincial government, setting forth the full facts and asking the government to give serious consideration to the possibility of the city council carrying on as efficiently as could a receiv-

He believed that the city was this reason he was not opposing the move to appoint a commissioner.

Mayor Stephens declared that the city was in no position to pay its way. Salaries of employees were behind none having been paid since March 1, city accounts were in the same position, \$32,000 in bonds and interest had been unpaid since December 1 last and there were other bills totalling \$43,000 which had ARSENAL been carried over from last year. SENSATION AT FINISH:

Grotto Hoop Team Wins Over Premier-C. N. R. A. Drops Call to Anyox

At Premier, the Grotto team of Prince Rupert, with a sensational finish, won their basketball game last night by a score of 29 to 25. After trailing 14 to 12 at half time, the Grotto evened up the score one minute before full time 25 all, Smith for the Grotto bringing down the house with a beautiful shot from centre, following quickly with another as the whistle blew.

In the basketball game at Anyox last night between the C. N. R. A. team of this city and Anyox, the smelter town team won by a score of 27 to 24. The score at half time was 16 to 11 in favor of Anyox. It was a good, fast, clean game although the slippery floor proved bothersome for the locals. A fast last-minute spurt by Prince Rupert failed to turn the tide of battle.
