"He picked up at once on Eagle Brand"

"I CANNOT speak too highly of your Eagle Brand milk," writes Mrs. J. W. Bulger, R.R. No. 4, Brampton, Ont. "My baby weighed 8¼ lbs. at birth. At seven months he weighed 9½ lbs. At this age, after trying seven other foods and formulaes, I started to give him Eagle Brand. In a few days we could see a difference and now at a year old he weighs 19½ lbs."

If you cannot nurse your baby, try Eagle Brand Milk. You will find the directions on every label. We would like to send you the new 84 page edition of "Baby's Welfare." It gives directions for feeding and children's care and has pictures and life stories of many Eagle Brand babies.
