### IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED

Wake up your Liver Bile—No Calomel necessary  
 For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels, every day. Without that bile, trouble starts. Poor digestion. Slow elimination. Flattens in the body. General weakness. How can you expect to clear up a situation like this completely with mere bowdlerizing salts, oil, mineral water, laxative candy or chewing gum, or roughage? They don't wake up your liver.  
 You need Carter's Little Liver Pills. Purely vegetable. Safe. Quick and sure results. Ask for them by name. Beware substitutes. 25c. at all druggists.

Having been delayed for twelve hours by mudslides on the Fraser subdivision east of Prince George, last night's regular train from the East arrived at 10:15 this morning.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, is due in port at 1:50 o'clock this afternoon from Vancouver and waypoints and will all this evening on her return south.

Miss Cathie Jones, formerly of his city, will again be heard over the air on a trans-Canada network originating in Vancouver between 7 and 6:45 this evening as a member of the Bach Choir.
