ALL-BRAN STOPPED HIS SLEEPLESSNESS AND TIRED FEELING

Cereal Relieved His Constipation

Read this enthusiastic letter from Mr. Haraden:

"My system had been run down for quite some time. About three weeks ago, I started taking ALL-Bran for breakfast. I had been unhave to do is turn in, and before know it, I am fast asleep.

"I used to have a tired feeling all day, but now that ALL-BRAN is in my home to stay, there will be no more tired feelings with me."-Mr. Carl Haraden (address furnished upon request).

Science says that ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to help tone the intestinal tract. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Inside the body, it forms a woft mass. Gently, this clears out the intestinal wastes.

Isn't this safer than taking pills and drugs-often harmful! Just eat two tablespoonfuls daily for most types of constipation. If not relieved this way, see your doctor. Sold in the red-and-green package. At all grocers. Made by Kellogs

in London, Ontario.
