NEW IMPETUS NEEDED

Those who have been living in Prince Rupert for ten or twenty years are a little tired of trying to do public work in the interest of the city through the Chamber of Commerce or any other organization. A new impetus is needed and it seems as if we are to get that impetus through the new city commissioner. He is attempting to arouse the people of the city to a sense of their responsibilities and their opportunities. While he has been treading on some of our toes it is not sufficient to make us limp and it may possibly waken us from our lethargy.

There are in the city many who are practically newcomers but who have not yet interested themselves in city affairs to any appreciable extent. Now that we are receiving the necessary prodding from the commissioner, possibly we shall get some life into our public or semi-public bodies. There is need of it. Chamber of Commerce meetings have dwindled until it is almost impossible to secure a quorum. There has been a feeling that "it is useless to kick," that efforts in the past having failed, efforts in the future also must fail. Now, possibly, we shall have to change our attitude and once more cultivate that aggressive spirit which is necessary if we are to achieve anything as a city.

The commissioner has a difficult role to fill. He is bound to displease many. It is because of the objectionable duties he has to perform that he is commissioner instead of being mayor. No mayor and council could afford to be as unpopular as a commissioner is, temporarily at least, bound to become if he carries out his duties faithfully. We must expect to be annoyed at some of the policies he puts into force.

While this is going on let us take his advice in regard to being on our toes for new business and in forwarding the interests of the city in every possible way. The sooner we get business going here the sooner we shall get rid of the commissioner.

LOWE INLET REGIMENT HAS BOXER IS WINNER

 Vic Johnson, Vancouver Heavy-weight, Spending Summer There
 Canadian Labor Defence League Defeated in Football Match Last Evening

Paul Price, who has just returned from a trip to Lowe Inlet, reports that Vic Johnson, a well known boxer of Vancouver, is spending the summer at Lowe Inlet. Johnson intends to fish with Captain J. D. Paul of the "Sherman" this summer to strengthen up his budding muscles before going into action again on the Pacific Coast later during the year.

Mr. Price also mentions that Johnson intends to work out in Prince Rupert later on in the summer and possibly have a bout or two in this city. He is classed as a middleweight and has had some good fights to his credit including a knockout over Jack Young of Toronto and Flore Carlessa, the Italian of Vancouver, and has also had some good fights in main events.

Regiment's youthful platoon chasers defeated Canadian Labor Defence League by a score of 3 to 1 last night in the third match of the Gilluly Cup football series. The C. L. D. L., with re-arranged line-up and several new players, showed a marked improvement over its opening appearance on Tuesday night and had a goodly share of the play but fell down in finishing, missing a number of scoring opportunities with the opposing goalie virtually sealed. Maguire proved himself a real acquisition to the Laborite eleven. Regiment was fast and flashy, as usual, but lucky to win by such a decisive margin.

Half time score was 2 to 1 for the Regiment. George Hill opened the scoring for Regiment and Eric Christison produced the second. Jimmy McKay then netted the count for the C. L. D. L. Christison again scored for the Regiment in the second half.

Jimmy Johnstone was an efficient referee and Alex Harvey and Charles Barker presided on the side-lines. A good sized crowd was in attendance and much interest was taken in the play.

SIX TEAMS IN LEAGUE

Softball Circuit is Increased—Kaiens Overwhelm Empress

The Kaiens defeated the Empress in an exciting softball game last night, the final score being 13-1.

The game was quite close for the first five innings, only two runs being scored by the Kaiens, but, after the fifth inning, they opened up and the Empress didn't have a chance. In the eighth inning the Kaiens went on a batting spree and knocked Dougherty to every corner of the field, scoring six runs. The Empress made its only count in the eighth inning when Allen, pitching for the Kaiens, got a little wild and walked two men. The game was fast throughout, despite the uneven score, with plenty of exciting plays.

The Elks' Lodge has now a team in the league, making a total of six teams now entered. It has been necessary to draw up a new schedule to accommodate this change and it is listed below. From now on, double-header games will be played every Sunday afternoon.
