#### C. C. F. FAILURE

Member of Audit Bureau of Circulations

The C. C. F. failed to make any impression in the Nova Scotia elections. They did not have many candidates in the field and they elected none. Possibly that was because the visit here was the dancing party people of the far eastern provinces were not as badly hit by the depression as the people of the west.

For many years Nova Scotia had a Liberal government but the tide turned and at the last election but one the Liberals were defeated and the Harrington administration was formed. Now the turn has come again and the Liberals will again take charge of the affairs of the province.

#### TITLES UP AGAIN

Somebody is always bringing up the question of titles. Editor, Daily News:-Now it is Hon. G. Howard Ferguson, Canadian High Commissioner in London, who urges that they might be given taken in the city market question. but not to politicians.

We are unalterably opposed to the granting of titles to anyone but if they are to be given we see no reason why hundreds of dollars worth of goods, but UULLDILK politicians should be excluded. Premier Bennett and Mr. and acres and acres of strawber-Mackenzie King are just as much entitled to recognition ries all going to waste, besides cheras any other people in Canada if it is felt that they have ries, the trees loaded down and done their work well.

The difficulty in regard to titles is that they often go to the wrong people and those who are really deserving are with all their produce and they left out. The man who does any kind of work well is en- ought to be glad to get an opening titled to official recognition. Let a laborer dig ditches better than the ordinary and he is entitled to recognition just as much as the chief justice who has always drawn a good salary and held in his hands the balance of life and death.

The better plan is to avoid titles altogether. It encourages the pulling of strings to obtain recognition and is a Provincial Head fruitful source of snobbery and an instigation to socialism, communism and all the other isms to which we object.

## DANCE IS COLORFUL

Captain and Officers of H. M. S. Dragon Entertain Friends-Dinner Precedes Larger Party

The brilliantly decorated and illuminated quarter deck of H. M. S. Dragon was the centre of local social interest last night when Capi. W. F. Wake-Walker O. B. E., R. N., commanding officer, and other officers of the visiting warship entertained at a delightful dancing party in return for local courtesies which had been extended them during the ship's stay in Prince Rupert. There were about 150 persons at the affair which was thoroughly enjoyable to all. Beautiful gowns of the ladies intermingled with the smart naval uniforms and the scene was a very attractive one Splendid music was furnished fo dancing by the warship's orchestra Delicious refreshments were served o at midnight. Dancing was in pro gress from 9:30 p.m. to 1:30 a.m Among the notable guests at the party were John Barrymore, noted 5 screen actor, and his wife, Dolores Costello.

Prior to the dancing party, Captain Wake-Walker was a dinner host aboard the ship, his guests being City Commissioner and Mrs. W J. Alder, Mr. and Mrs. John Barrymore, Mr. and Mrs. T. H. Johnson. Dr. and Mrs. L. W. Kergin, Miss dith Kergin, Lieut. Walter Hume. Miss Jean McAfee, Mr. and Mrs. F. . MacCallum and Commander Fitzroy R. N.

Another interesting social affair in connection with the warship's tendered on Monday night at headquarters of the Royal Canadian Naval Volunteer Reserve by officers of the wardroom mess of the local Reserve to Capt. Wake-Walker and officers of the Dragon.
