## IT'S QUALITY WE'RE AFTER

When a traveler shows us his samples the thing we most want to know is how good the articles are.

Of course we want our prices to be as low as anyone else's but we want to sell gifts which will never cause our customers or us any trouble in the future.

We would rather lose an odd sale than have people say our goods are not right.

People will always find us glad to do our best to make right any disappointing article as it is well known no store can help making a little mistake once in a while.

People will find our prices on the whole very reasonable this year even if silver has gone up a little for some of our goods were purchased before the raise and many of our gold articles were in before the advance.

## LONG HIKE BY OFFICER

Constable Boys Caught in Stikine  
River and Walks 54 Miles  
To Telegraph Creek

After officiating at the marriage of a couple at Telegraph Creek on October 19, Provincial Constable J. C. Boys, acting government agent at the Stikine River point and formerly a member of the city detachment here, left by gasboat the next day with the newlyweds with a view to delivering provincial election ballot boxes to Clearwater. The boat, however, became stalled in ice at Klotchman's Canyon, 54 miles down the river, following an engine breakdown and, after waiting some time, the officer quit the boat and hiked overland back to Telegraph Creek. An airplane was later commissioned to take the ballot boxes to Clearwater.

A. H. Waddington of the Forest Branch service and Mrs. Waddington sailed this afternoon on the Catala for the south to spend the Christmas and New Year holiday season. They will visit in Vancouver and Nanaimo.
