# I reasury Dep't Price For Gold

WASHINGTON, D.C., Nov. 6: (CP) The Treasury Department paid \$32.84 per ounce for gold today, this being 17c above Saturday's price.

WAR DEAD

Annual Parade of Canadian

Legion

Headed by the Prince Rupert I. Boys' Band under Bandmaster Ro-Canadian Legion, Prince Rupert tranch, under President Jack Preece, paraded to the United Church yesterday forenoon for the annual Armistice Remembrance Day service. With members of the Women's Auxiliary also present under Mrs. J. Preece, the church was filled to capacity.

Rev. C. D. Clarke spoke appropriately stressing how necessary was for the Canadian Legion, and indeed everybody, to keep in mind the high ideals that animated the men who offered themselves when their country needed them. The night. same unselfishness was needed today. It was a debt to those who returned not to see that their memory was not forgotten and to see that the world was made safe for democracy. With rumors of war in the air it was incumbent on the the members continues. world to see that the "war to end

Special music included the anthem "What are these arrayed in white?" splendidly sung by the regular senior choir under J. S. Wilson's leadership, and the solo, There is no Death," very effectively interpreted and rendered by Dr. R. 3. Large, Miss Swana Qlafson prespecial numbers prior to and following the service. The "Last Post" with its impressive notes of poignancy and bringing memories of in the safe month last year. Great Britain, Canada and Newfoundland Come to Terms For Atlantic Crossings

ST. JOHN'S, Nfld., Nov. 6: (CP) -Prime Minister Alderdice intimates that the governments of which was taken by the Canadian Great Britain, Canada and New-Fish & Cold Storage Company at foundland have reached an agreement with regard to a proposed trans-Atlantic air service. The same are satisfactory to all who particihere. He offers no prediction as to when the service will be established.

> The proposed route is said to be from Liverpool by way of Northern Scotland, Iceland, Greenland, Labrader and Montreal, linking up with American and Canadian cities and the Pacific Coast.

### Takes Option On Ketchikan Mine

M. P. Olsen, who was quite a prominent figure in mining circles in the Alice Arm district some thirteen or fourteen years ago, was in Prince Rupert Friday afternoon aboard the steamer Princess Norah return ing to Vancouver after a visit to Ketchikan district. He has taken an option on the old gold quartz property of the Princeton Mining & Milling Co. on Prince of Wales Island across from Ketchikan and about thirty miles from the Alaskan city and, depending on ore tests about to be made, expects to take the property over and operate it for interests which he represents. The property is equipped with a mill and already about \$200,000 has been spent on it although it has been idle for the past year or so following the death of a former principal. Mr. Olsen, who was accompanied
