HIGH SCHOOL TENNIS TEA

Very Successful Affair Held Saturday Afternoon in I. O. D. E. Hall

A very succesful tea and sale of home cooking was held on Saturday afternoon by the Girls' Club of the High School. The tea was held in the I. O. D. E. Hall which was prettily decorated with the school colors, green and gold, and tennis rackets. It was in aid of the High School tennis court fund to which the Rotary and Gyro Clubs have already made generous contributions. Although the day was rainy and dismal many friends attended and there was a quick sale of the home cooking made by the home economics girls, and of the candy, some of which was made by the boys in the school. The executive of the Girls' Club, the Misses Jean Ritchie, Lucille Brooksbank, Maxine Heilbroner, Pat McAllister, Kay Watson and Credwin Morgan, organized and managed the tea in a very capable manner.

Miss Jean Ritchie, president of the club, and Miss Dimock, honorary president, received the guests. Dr. E. Lucas, principal, and Miss E. White, teacher of home economics, presided over the tea table. Miss Kay Watson acted as cashier. The serviteurs, each assisted by three junior girls, were the Misses Beatrice Berner, Joyce Collison, Noreen Gibson, Elsie Davis, Helen McCaffery, Connie Morgan, Eva Morris, Ruthanna Wood, Audrey Parkin, Peggy Anderson, Betty Parlow, Thekla Fulton, Velma Walters and Edith Connery.

The home cooking table was under the management of the Misses Mary Sargent, Tona Bourgon, Margaret McLeod and Mary Kate Sands. The candy stall was managed by the Misses Credwin Morgan and Pat McAllister.

There was a musical program during the afternoon. Miss Ruth Nelson contributed a piano solo. Miss Betty Cameron, accompanied by Miss Audrey Parkin, sang two songs. Miss Betty Ellison, accompanied by Miss Marybelle Stiles, gave two vocal solos. Miss Edith Johnstone and Miss Elsie Franks, accompanied by Miss Kay Watson, played a violin duet.

TWO FINE PICTURES

"Vampire Bat" and "Rockabye" Being Presented at Capitol Theatre Here

"The Vampire Bat," a horror story featuring Lionel Atwill, Fay Wray, Melvyn Douglas and George E. Stone, and "Rockabye," a drama of mother love, with Constance Bennett, Paul Lukas and Joen MacCrea in the leading roles, are comprised in an excellent double picture bill at the Capitol Theatre here the first of this week.

The age-old belief in the vampire, the horrible undead human bloodsucker, which lives and seeks its prey by night and retires to the grave by day, is the background of the vampire bat. Interwoven with the scientific murder mystery is a love story which finally has a happy ending.

The story of "Rockabye" shows how a noted actress, frustrated by scandal in her desire to adopt a child, finds at last a great love and then is driven, by her very love for children, to make the supreme sacrifice. Miss Bennett is more gorgeously gowned than ever against a background of smartness and elegance.

WHIFFLETS
From the Waterfront

Capt. W. P. Armour of the Armour Salvage Co. was back in port this morning after having been out over Friday, Saturday and Sunday to Porpoise Harbor with the work boat Winnemac in connection with the bringing here of a donkey boiler and other machinery formerly belonging to the National Airplane Lumber Co. which has been resold to Frank Dockrill for use at the Telkwa coal mine. The boiler is to be retubed by the Atlas Boiler Works here and the outfit will then be shipped by rail to Telkwa.

The local power boat Rhona, on board which a party of two local men and three Vancouver commercial travelers were stranded for two or three days last week on account of engine trouble which developed twenty miles south of Anyox which port they left for Prince Rupert last Wednesday afternoon, arrived safely in port this morning at 7 o'clock with the party on board. Following the breakdown, food supplies on the Rhona became rather short for a day or so but were eked out by clams and mussels and, eventually, temporary repairs were made which permitted the vessel to get back to Anyox Saurday afternoon. After permanent repairs were made at the smelter town, the Rhona came on here under her own power.
