COST of living high? Why should I care when I can

make more use of my oven? Who ever heard anybody complain that home-made biscuits, muffins and things appeared on the table too often? Bob—he's a chemist—says that ten cents' worth of wheat supplies far more food value and real energy than a round steak. No indeed, I don't buy much meat, and we're all the better for it. But don't imagine that ordinary biscuits will do. Look to the flour they are made from. Make it ROYAL STANDARD (your grocer sells it) and your oven will be a veritable treasure chest for goodies light and feathery, wholesome, digestible.

EXTRA GOOD COMEDY AT THE WESTHOLME TONIGHT

"The Champion" is the title of tonight's Keystone comedy at the Westholme Theatre, and a better comedy would be hard to imagine. There is a real horse race on a real track with a grandstand filled with literally thousands of real people and a real exciting go-as-you-please finish with Mabel and the heavy villain and the entire Keystone police force right on the spot. The result is not a laugh—it's a roar.

Another fine comedy, entitled "Peggy of the Polly P.", is the story of a canal boat and its crew of quaint characters. "Silent Heroes" is a two reel Broncho feature, and last but not least there is an exceptionally interesting Weekly Gazette, making altogether a very strong program that is well worth seeing.

OCEAN FALLS PLANT TO BE AUCTIONED

To Go Under the Hammer in Ten Days—Will Be Competition.

The Canadian Finance of March 4 says: The receiver, Archie Martin, of the Ocean Falls Co. is advertising the auction of this property to be sold by direction of the court in the Board of Trade rooms on March 23rd next. It will be sold as a going concern. The property includes pulp limits estimated to contain over two billion feet of timber, some crown granted timber, complete logging equipment and saw mill, and a new pulp mill that has never turned a wheel, on account of financial conditions of the company. It is rumored that the Anglo, London & Paris Bank interests of San Francisco, who have entered into negotiations for its purchase, will meet competition at the auction.

TERRACE NOTES

(Special Correspondence to Daily News)

Among the arrivals from the coast on Wednesday were several wellknown in town. "French Joe" and his wife are back, and intend to go out on their ranch shortly.

There is a good deal of activity in town and vicinity. Several buildings have been commenced or are being planned and a good deal of preparation is being made by local business men for the expected increase of trade in the summer.

Mr. A. H. Tomlinson, the horticultural expert, is to give a lecture and demonstration next Wednesday in the hall above the Co-operative Store. He was here several times last summer and his lectures and advice were greatly appreciated by everyone who attended.

Mr. Wm. Scott, the Presbyterian student, is visiting in New Hazelton for a few days.

Cleveland's Fish Story.

Ex-President Cleveland, while talking to a friend about one of his many angling expeditions, told the following story: "I had with me on that particular trip two countrymen, who evidently were familiar with my reputation as an angler. Before starting one of them made the suggestion that the first to catch a fish must treat the crowd. I assented to this, and we started. Now, don't you know, those two fellows both had a bite and were too mean to pull them up." "I suppose you lost, then?" remarked the friend. "Oh, no," replied the president. "I didn't have any bait on my hook."
