The hospital board, at its regular monthly meeting last night, suitably acknowledged the recent gifts of boxes of apples from J. B. Miller of this city and Capt. J. B. Colthurst of Terrace.

W. M. Brown, chairman of the grounds committee, reported to the hospital board at its meeting last night that an offer of Tony Christian to dump earth taken from the excavation for the new Canadian Legion building on the Nurses' Home grounds for use on garden extension there had been recently accepted. A letter of thanks was ordered sent to Mr. Christian. The committee also reported that a shipment of bulbs was expected to arrive soon and these would be planted immediately they came.

The house committee was authorized by the hospital board last night to make arrangements for the improvement of the heating of the lady superintendent's office which for years has been one of the chilliest parts of the building. It is proposed to put in an electric stove. Robert Gordon, chairman of the house committee, reported that repairs had been made to the iron fireman of the furnace. It was decided to defer until next year the removal of moss from one section of the roof of the building, it being too late in the season now to do the work.

## BUCKLEY'S MIXTURE BANISHED COLD, BACK AT WORK NEXT DAY

No wonder Mrs. Withershaw, Port Arthur, Ont. says BUCKLEY'S MIXTURE is the best cough medicine she ever used. She writes: "Just this week my husband caught a very severe cold. I gave him two doses of Buckley's and in the morning he was so greatly improved that he was up and about his work as usual." It is this quick, sure relief that makes BUCKLEY'S MIXTURE the largest selling cough and cold remedy in Canada. If you have a cough, cold, flu or bronchitis, take Buckley's. It acts like a flash—A single sip proves it.
