How to Escape FLU and Grippe

1 Avoid so far as possible the places where germs are most likely to be spread; overcrowded cars and public meeting places; overheated, stuffy rooms.

2 Be careful of close contact with others and beware of all coughers and sneezers; breathe through the nose, get fresh air, but avoid drafts or chilling.

3 Get lots of rest. Drink plenty of water. Keep the bowels open. Take extra precaution to keep in good physical condition, so your system will have normal resistance against germs.

4 Try, particularly, to avoid catching cold. Colds lower your resistance to disease germs. At the first sign of any cold, take some Aspirin; remain indoors if possible until your cold is gone. And if you have a sore throat, dissolve three Aspirin tablets in a quarter glassful of water and gargle; this relieves the soreness, and usually reduces the inflammation.

5 If you have any reason to suspect even a touch of flu, call your doctor at once.

Delicate Baby

"For a delicate Baby there is nothing better than BABY'S OWN TABLETS", writes Mrs. Harry Baker, Lunenburg, N.S. "My advice to every Mother of delicate children is to give them BABY'S OWN TABLETS, and note how quickly the Babies will gain." Mrs. Baker, like many other Mothers, has found that BABY'S OWN TABLETS sweeten children's stomachs, correct intestinal disorders and make teething easy. These Tablets are of *guaranteed* safety—as proven by the certificate of analysis in each 25-cent package. 249

Queer Shock Given Terrier

ALDERSHOT, Eng., Jan. 25: (CP)—A terrier received the shock of its life in Union Street, Aldershot, when, stopping suddenly while following its mistress, it began a wierd dance to an accompaniment of howls. The owner tugged in vain at the leash. A puzzled crowd gathered and with them came a mixed pack of other dogs, whose yaps and bays—tenor and baritone—joined the terrier's falsetto in a chorus that scarcely blended.

In fact, it attracted a policeman, and he solved the riddle. As he stepped on the spot where the dog was staging its dance the animal leaped off and immediately became quiet. The policeman jumped too.

There was a short circuit under the pavement just there.
