

Low prices attract attention but fine quality is the best 'bargain' when it comes to tea. Fine tea is richly flavoured, clear as crystal and healthful. Common tea is merely an indifferent beverage.

SHE ATE ALL-BRAN TWELVE YEARS WITH FINE RESULTS

Delicious Cereal Relieves Constipation

Read this very enthusiastic letter: "Something like eleven or twelve years ago, I began eating Kellogg's ALL-BRAN. When I started, it was called simply Kellogg's Bran, and I believe it was one of the first products of the kind on the market.

"My friends often laugh at my fondness for ALL-BRAN. It gives such a clean taste in the mouth, and I do not feel satisfied until I have had my ALL-BRAN.

"If the Kellogg Company should ever stop manufacturing ALL-BRAN, here is one who would be greatly disappointed."—Miss Amy Person (address furnished upon request).

Science says that ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regularity. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. How much safer than taking patent medicines—often harmful. Just eat two tablespoons daily for most types of constipation. For serious cases, try it three times daily. If not relieved this way, see your doctor.

Sold in the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.

Peter DeJong, accompanied by Mrs. DeJong and family, are expected to arrive home in a few days. They arrived in New York a week ago after visiting Mr. DeJong's native home in Holland and touring Europe. They are travelling across the continent by motor bus.
