Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

TURKEY 25c PER POUND

This Will be Price This Year, it is Expected—Local Retail List Shows Few Changes

With the Yuletide season approaching, turkey will soon be on the local market. The price this year will be 25c per pound, it is expected.

As little in the way of new lines is arriving, few changes are to be noted in a revision of the local retail price list. Eggs are down while butter, flour and sugar are steady.

Feed prices are on the weak side.

BOARD IS APPOINTED

New Pensions Plan on Canadian National Railways to Become Operative Shortly

MONTREAL, Dec. 4:—Announcement of the personnel of the new pensions board of the Canadian National Railways is made. The board is appointed under the provisions of the new pensions fund regulations which become effective on the Canadian National system in Canada on January 1 next. It comprises four representatives of the company under the chairmanship of D. C. Grant, vice-president of finance, and three representatives of employee organizations who were elected at a recent meeting of the General Chairmans' Association held in Montreal. The company representatives, in addition to Mr. Grant, are A. J. Hills, chief of personnel, S. W. Fairweather, director of the bureau of economics, and T. H. Cooper. Representing the employees are R. J. Tallon, president of Railway Employees Division No. 4, B. L. Daly, chairman, Order of Railway Conductors, and W. G. Graham, general chairman Brotherhood of Locomotive Firemen and Engineers. Mr. Tallon resides in Montreal, Mr. Daly in Winnipeg and Mr. Graham at Lindsay, Ont. The superintendent of pensions will act as secretary of the board. The new board will hold its inaugural meeting in Montreal early in December.

The new plan covers all employees of the Canadian National system in Canada except those under the I. C. R. and P. E. I. Employees' provident Fund and the Grand Trunk Superannuation and Provident Fund. The plan provides service pensions for employees who have earned such pensions under the old rules and a minimum basic subsistence pension of $300 per annum to be granted solely at the company's expense to qualified employees on reaching retiring age. The normal retiring age is 65 years.

In addition, an annuity trust fund is set up to which employees may contribute voluntarily up to ten percent of their salaries. The company matches the employees' contribution up to five percent of the employee's salary on retirement.

The employee may choose between a straight life annuity, a life annuity guaranteed for a stated number of years and a joint and survivor annuity which will protect surviving members of his family.

The plan will be contractual between the company and each individual employee.
