YOUR LIVER'S MAKING YOU FEEL OUT OF SORTS

Wake up your Liver Bile -No Calomel needed

When you feel blue, depressed, sour on the world, that's your liver which isn't pouring its daily two pounds of liquid bile into your bowels. Digestion and elimination are being slowed up, food is accumulating and decaying inside vou and making you feel wretched. Mere bowel-movers like salts, oil, mineral water, laxative candy or chewing gum, or roughage, don't go far enough. You need a liver stimulant. Carter's Little Liver Pills is the best one. Safe. Purely vege-table. Sure. Ask for them by name. Refuse substitutes. 25c. at all druggists.

are deftly combined in "The Cat and the Fiddle," which is the weekend feature at the Capitol Theatre, Ramon Novarro and Jeanette Mac-Donald are the stars and they are said to make an ideal pair of lovers. The story in its romantic and dramatic aspects is strong and absorbing entertainment.

From the moment that devilmay-care Novarro, escaping from an irate restaurateur, pops into a taxicab that happens to be occupied by Miss MacDonald, the pic ture hits a fast romantic pace Frank Morgan is the suave producer who also falls in love with Miss MacDonald. Charles Butterworth is Novarro's faithful but, none-too-bright friend. Jean Hershort is Novarro's professor and confidant. Vivienne Segal's lovely voice and seductive personality is also featured.

The musical numbers sung by the co-stars and by Miss Segal are already hits and include such selections as "The Night Was Made For Love." "She Didn't Say Yes." "One Moment Alone," "The Love Parade," 'A New Love Is Old" and "Try to Forget."
