NEW PAPER BURNS LAKE

Former C. C. F. Candidate Issues First Number of Inland Independent

A. E. Windle, formerly of Vanderhoof and now of Burns Lake, who was the C. C. F. candidate at the last provincial election, has taken over the Burns Lake Observer plant and has just issued the first number of the Inland Independent. Sidney Godwin, who had formerly published the Observer, is leaving for Sandwick, Vancouver Island, where he has a 34-acre nursery farm on which he spent the last summer.

It is generally understood around Burns Lake that Mr. Windle is being groomed for the C. C. F. candidacy at the next federal election in Skeena constituency and that was the reason he changed his place of residence. He is an able young man and can make a success of his paper if he keeps it really independent but if it is to be the organ of the party he represents it will probably fail. People today look for independence in a newspaper.

COMEDY IS EXCELLENT

"The Affairs of Cellini," Outstanding Picture, at Capitol Theatre First of This Week

A hearty, hilarious comedy that moves along at a fast, smooth pace. "The Affairs of Cellini," starring Constance Bennett and Fredric March, is to be the first of the week feature on the screen of the Capitol Theatre here. The picture, said to be an outstanding one, promises gay entertainment and rollicking fun.

The film concerns itself with the affairs of the passionate and impetuous Sixteenth Century Florentine goldsmith and lover, Benvenuto Cellini, played by March, with the amorous and beautiful Duchess of Florence, portrayed by Constance Bennett, and with his beautiful but dumb model Angela, played by Fay Wray. Frank Morgan has the role of the Duke of Florence, other outstanding members of the cast including Louis Calhern, Vince Barnett and Jessie Ralph.

The picture revives the color and atmosphere of Renaissance Italy in all its paradoxical beauty and ugliness. The backgrounds are spectacular and impressive and the costumes of the period are both elaborate and lovely.
