At the regular monthly meeting of the Prince Rupert Chamber of Commerce last night John Dymharn, the new president, presided. He thanked the Chamber for the honor conferred on him and promised to carry out his duties to the best of his ability. For the first time in history he and the vice-president, C. V. Ewitt, has taken the oath of office as prescribed by the law governing such cases.

The freight rates committee of the Chamber of Commerce will consider a suggestion from the Chamber that rates on automobiles to and from Vancouver be reduced. The suggestion was made by M. P. NO "NEW DEAL" NEEDED FOR COUGHS OR COLDS with Buckley's Mixture around

BUCKLEY'S MIXTURE is still supreme when it comes to dealing a knockout blow to coughs, colds, flu or bronchitis. Every day brings unsolicited testimonials that no other remedy is so safe, so dependable, so lightning fast in action. Coughs and colds relieved with one dose—banished with two—bronchitis of many years standing miraculously relieved with one bottle, is the story they tell. If you have tried other remedies in vain, why not make sure of relief by taking BUCKLEY'S. It acts like a flash—A single sip proves it. Play safe—refuse substitutes—Buckley's is sold everywhere.

A protest received by the Prince Rupert Chamber of Commerce at its meeting last night at the high freight rates charged between the Queen Charlotte Islands and Prince Rupert was referred to the freight rates committee of the chamber.

The letter of protest came from Mrs. De Bucy, secretary of the Farmers' Institute for the Islands, in which she recited a list of charges on such articles as beef, live cattle, hay and lumber. A complaint is also made at the high passenger rates. A rate of fare and a third return is asked.
