TORONTO IS VICTORIOUS

Maple Leafs Defeat Red Wings 5 to 4 in Third Exhibition Hockey Game at Vancouver

VANCOUVER, April 27.—With Charlie Conacher, National League scoring ace, accounting for three of the Maple Leafs goals, Toronto turned on the old power last night to defeat Detroit Red Wings 5 to 4 in the last of a three-game National Hockey League exhibition series at the crowded Arena here. The first game having been tied five all while Detroit won the second 8 to 4, it had been decided that, should Toronto be the winner in regulation time last night, a ten-minute overtime period would be played to decide who should take a $500 purse put up on the outcome of the series here. The period, however, resulted in no score so the purse was split between the two teams.

Exhibiting terrific speed and playing their characteristic wide open game with little heed to defence, the Maple Leafs completely outfought the Red Wings in last night's game. They were on the attack all the time and, except for occasional dashes by the Detroiters held the play almost continuously on their end of the ice. Goalie Cude of Detroit made many remarkable saves, it being an exceedingly strenuous evening for him.

Score at the end of the first period was 3 to 2 for Toronto, at the close of the second 4 to 3, while each side scored one in the third.

Lucky Strikes Defeat Camels at High School 12 to 11

Lucky Strikes defeated Camels 12-11 in High School girl's softball yesterday. The Lucky Strikes made four runs in the first inning while the Camels scored only one. In the second inning the Luckies gained four more while the Camels only made one. There was no further scoring until the fifth when the Camels made six runs, bringing the count to a tie. In the extra inning the Lucky Strikes made four while the Camels made three, giving the former a lead of one.

Umpire was Miss M. Delaney; base umpire, June Armour; reporters, June C. Armour and Margaret McLachlan, and scorekeepers, Maisie Cameron and Olga Zelisko.

Lucky Strikes — Tona Blaine (captain), Gertrude Turgeon (vice-captain), Margaret McLachlan, Margaret McLeod, Elizabeth Wood, Margaret Fritz, Christina Beale, Linda Field, Marguerite Menzie, Amaranthe Bury.

Camels—Gudrun Welle (captain), Gladys Cook (vice-captain), Margaret Sue Gulick, Thelma Davies, Rita Stromdahl, Emma Whiffen, Lillian Croxford, Kathleen Fortune, Marcelle Jabour.

Rookie May Be Star Pitcher

Among the most prominent of the rookies working out is one, Leslie Munns, a southpaw twirler, with the Dodgers of Brooklyn, who looks very nice indeed to Casey Stengel. Casey gave him the nudge in the game at Fort Myers against the Athletics, and Leslie responded with a mid-season spurt during the five innings that he was on the mound. Only three hits were chalked up against him, and nary a run. And when a Dodger pitcher holds the enemy to no runs, that's news.

BABE RUTH PLACES 'EM

Bambino, in Radio Interview, Predicts Chicago Cubs and New York Yankees Will Win

Babe Ruth, famous Big League baseball player, was heard in an interesting radio interview Wednesday evening. The Bambino stated that he expected to see Chicago Cubs and New York Yankees capture the pennants in the National and American Leagues respectively this year.

Marvellous pitching had been responsible for the victory of the New York Giants in the National League last year, the Babe said, and it was hardly to be expected that this could be repeated for a second straight season. He figured the Giants to finish fourth this year with the Pittsburg Pirates second and St. Louis Cardinals third. He put the Boston Braves in fifth place.

Ruth expressed the opinion that the Washington Senators did not have sufficient all round strength to again capture the American League pennant although they might finish second.

ROSES ARE ALL TAKEN

Distribution Made Through City Hall With Members of Horticultural Society in Charge

A total of 1711 roses have been distributed this week by the Horticultural Society and purchasers seems to be well satisfied. Three hundred extras were ordered by Secretary C. V. Evitt but a wire was received this morning stating that the Layritz Nurseries were sold out and the order could not be supplied. Those whose orders came in late will, therefore, not be able to get their supplies this year.

The roses have all been paid for at the City Hall and were distributed from the garage at the back of the police station. The first day Fred Riffou was in charge of distribution and the second F. J. Fuller. These members of the society kindly donated their services.
