Are You WEARY?

Do you find it hard to do things some days? Days when body and brain feel oppressed? Incomplete elimination of body wastes is probably the reason. It is most likely the reason even though you are as regular as can be in your daily habits, because regularity is no guarantee of completeness. Follow these simple health rules: Eat moderately, sleep sufficiently, get lots of fresh air and exercise—and once or twice every week take a bracing, sparkling glass of Andrews Liver Salt. Andrews will purify and invigorate your whole system and help Nature end those tired, "headachey" days. Get Andrews Liver Salt from your druggist. 35c and 60c in tins. 75c for the new, large bottle. "Gee, Mother, these new wheat flakes sure do taste good! Can I have some more?"

"You certainly may. Kellogg's Whole Wheat Flakes are the kind of food I like to see you eat."

NO WONDER mothers like to give their children Kellogg's Whole Wheat Flakes. For they know what a splendid, all-round "*building*" food whole wheat is.

And never before was whole wheat so tasty, so *delicious* as in these new crisp-toasted flakes. Children and grown-ups both love them!

You'll get a welcome surprise, too, when you see the *size* of the *big package* these delicious flakes come in. It certainly is economical.

In fact, Kellogg's Whole Wheat Flakes are a food to meet these modern times. Outstanding value. Almost a meal in a bowlful. Ready to serve with milk or cream.

Ask your grocer for the red-and-green package. Extra *crisp* and *crunchy*, thanks to a new Kellogg discovery. Oven-fresh. Made by Kellogg in London, Ontario. *Quality guaranteed.*
