This Province Congratulated on Make-Up of Advisory Council and Country Congratulated For Manner Of Handling Liquor

SEATTLE, April 27:-The Seattle Post-Intelligencer, in an editorial yesterday, paid high tribute to the manner in which Canada is solving its economic problems, the province of British Columbia being singled out for special praise. The wisdom of forming an economic advisory council in that province consisting of seasoned and exper-

trial affairs instead of "a bunch of college boys" was lauded.

The editorial also congratulated Canada on the handling of its li-INTERESTED
