FAREWELL PICTURE IS WAS SAID SPECTACLE

Ex-Service Men Add Tribute to Col. McMordie—Great Send-Off

There was a very large attendance at a special meeting of returned men called last evening under the auspices of the Canadian Legion, British Empire Service League, at the clubrooms to say "goodbye and good luck" to a long-time comrade in the person of Lieut. Col. S. P. McMordie D. S. O., just prior to his departure for Victoria.

On behalf of the branch, President Jack Preece expressed the sincere regrets of the members at their loss in the departure of the Colonel. He had done his share in the line as a good soldier, he had taken his place in the city and had not forgotten his comrades. They would always remember him and their best wishes would ever accompany him.

The Colonel was visibly affected at the expression from his old comrades. To a returned man the friendship of ex-soldiers was particularly dear. He was at a loss to adequately express his thanks but, as soldiers, they would understand. Their send-off would always be one of his most precious memories. In accepting the splendid cigarette case from the Legion he did it with a keen sense of the honor they had done him.

A parade headed by the Boys' Band under Bandmaster Bob Greenfield marched from the Legion rooms to the boat where once again cheers and good wishes were expressed and "Bon Chance and Bon Santé" were ringing in the ears of Col. McMordie as the ship pulled out.

"Stand Up and Cheer" Has Warner Baxter and Many Others In Cast

"Stand Up and Cheer!" one of the most elaborate of recent musical motion pictures will make its appearance at the Capitol Theatre this week-end.

Among many elements the film offers hundreds of dazzling girls, a vocal chorus of 500, one thousand players, 335 scenes, 1,200 wild animals and five bands of music. Also there are five spectacular revue numbers each of which contains an authentic song hit. The large cast includes such stellar names as Warner Baxter, Madge Evans, James Dunn, John Boles, Ralph Morgan, Nigel Bruce, Shirley Temple, Arthur Byron and Stepin Fetchit.

The story tells how the President of the United States appoints a famous Broadway producer to the cabinet post of Secretary of Amusement. It is his duty to help restore prosperity by reviving the spirits of the people. Selecting the country's leading entertainers, the producer proceeds to amuse the nation with magnificent and lavish stage productions. It is in these productions that the wonders of the film are revealed.

LEW CODY SUCCUMBS

Well Known Moving Picture Actor Passes Away in Sleep at Beverly Hills Home

HOLLYWOOD, Cal., June 1: (CP)—Lew Cody, aged 47, movie actor, was found dead in the bedroom of his Beverly Hills home late yesterday, apparently the victim of heart attack. Evidently he had died peacefully in his sleep in bed probably eight or ten hours after he had retired at 1 a.m.

Cody, who was well known as a portrayer of sophisticated and sometimes crook or villain roles in the movies, suffered a complete breakdown several months ago but, apparently, had been hale and hearty recently.
