PLANTA BELIEVES HIS PEOPLE WANT SHORTEST ROUTE WHICH IS HERE

cal to expect it to be completed

within, say, ten years. Speaking of the opposition to the cheme from Vancouver, Mr. Planta said it was natural for a city in its infancy to be selfish but Vancouver had passed the age of puberty and had now reached adolescence and could afford to be generous.

"I have no personal interest in Prince Rupert," declared Mr. Planta. "All I want is to serve the people of the Peace River and I believe am doing that by advocating the building of the railway to connect with Prince Rupert." It would be false economy to build the temporary outlet to Obed. To continue a transcontinental line through the Peace and passing through Edmonton would be to the advantage of that city and would command its support."

The speaker spoke of the various colonizing plans of the past and showed that here was one ready to Canadian Cheesehand which was assured of success. On motion of M. P. McCaffery and Libby's Corn Beef-C. H. Orme a hearty vote of thanks was passed to Mr. Planta. Red Arrow Soda Biscuits-

George Mitchell, who has been on at two weeks' trip to Vancouver, returned to the city on the Catala last evening.
