The hospital board, at its regular monthly meeting last night appointed Miss Phyllis Mooney R. N., operating room supervisor, to relieve as acting lady superintendent during Miss Harrison's absence under the usual relief arrangement.

At last night's meeting of the board of directors of the Prince Rupert General Hospital a communication was read from J. H. McVety, secretary-treasurer of the British Columbia Hospitals Association, inquiring the board's views as to what would be the most suitable date for the holding of the annual convention this year, whether it should be in Vancouver or Victoria, the most desirable type of program and what matters of business, if any, the local board might have to suggest. The managing secretary, H. W. Birch, suggested that the government should be asked to set a definite policy in regard to relief cases. S. D. MacDonald agreed that this was a very important matter which should undoubtedly be taken up.
