## THE COSY CORNER

DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cosy Corner" will fill a social need.

### NEW DINNER PLATES

#### Kipling Stories in the Designs of Charming New China

The latest idea in dishes in New York is the conversational plate. As yet these plates are rather expensive, for they are the invention of an American artist, who did the coloring and drew the designs, while the china was made in France. They are genuinely artistic, but probably we shall soon see them widely copied in more inexpensive form.

The original set is known as the jungle folk plates. Each plate illustrates one of the twelve jungle stories which Kipling made famous not only for children but for grown ups. One of the plates has the scene of Mowgli teasing the Red Dog, and another bears the Zeal's lullaby:

"But splash and grow strong  
And you can't be wrong,  
Child of the Open Sea."

The invention seems to open up a new field in china. There are many other books which would make good subject matter for illustrated plates. Fancy how delightful would be a set where were pictured some of "Alice's Adventures in Wonderland!"

What could be daintier for a young girl than a frock of white dotted swiss with embroidered designs in pink? Above model shows the way of construction with the

## ITEMS OF SPORT

The ladies have taken to playing lacrosse in England, and are said to be making great headway at the game. As a means of reviving the National Game at home, why not set the ladies here playing lacrosse?

Jack Lester the latest of the "hopes" to fall from grace by his defeat by Bill Lang, intended returning to America, but Lang telegraphed him a few days ago agreeing to give him a return match in August, and Lester has consequently altered his plans for returning home, and will remain here instead.

Rooting for anyone but the home team is considered anything but good form at the St. Paul baseball park. For that reason Ben Erven, Milwaukee, a singer, and his wife, were ejected from the St. Paul grounds during Saturday's game between Milwaukee and St. Paul. As a result, the management of the St. Paul club will probably be made defendant in a suit for damages.

It made grandfather smile the other day when he read about Jake Beckley getting seven hits in a double-header. He said it made him think of his kid days, when he used to watch Jake bust the fence. "Old Eagle Eye" is managing the Hannibal Central Association team.

Ad Wolgast and Packey McFarland may yet be opponents in a ten round bout in place of McFarland and Matt Weils. The latter pair have signed articles for a ten round, no decision affair here early in September, although a change may be made. Wolgast has sent word to McFarland that unless he signs to meet him in a ten round meet in Milwaukee he will never consider him an opponent for a twenty round go on the coast later on.

Billy Papke, claimant of the world's middleweight title and conqueror of Jim Sullivan, who held the English honors for that division, has positively refused to listen to any offers regarding a return match with Sullivan, or for matches with other performers abroad.

## POLICE HAVE NEW RIG OUT

Very Smart New Uniforms now Ready for the Force. Silver Instead of Brass Buttons. "Thin Red Lined Heroes."

Some of the new uniforms for the police have been completed all except the helmet, and the officers look very neat and smart in them. The buttons are silver instead of brass, and the "thin red line" on the trousers adds military finish to the uniform. When the helmets arrive from the East where they must be ordered, we shan't know our noble limbs of the law, and the force added to their influence in the quelling of the evil-doer by the new uniforms will be still more effective.

Have you learned that "keeping boarders" is a business matter—and that it involves timely advertising in the classified columns of The News?

**HARD ON THE GIRLS**  
Beauty is Not Allowed to Fascinate in Bathing Dress

Girls wearing white stockings are not permitted to go in bathing in Coney Island, Brighton Beach or Manhattan Beach. Several of them learned that fact last week, and they also found strict rules against gaudy bathing costumes prevail at those resorts. A young woman walked out on the sands at Brighton Beach wearing white stockings. Almost immediately she was stopped by a life guard, who told her it was against the rules of the beach for girls to wear white stockings. She was compelled to return to her dressing room and send for a pair of black stockings. The superintendent of the bathing houses seeks to prevent women from wearing costumes that attract attention.
