It will take many years, possibly many centuries, for the nations to learn that it pays to be friendly and that settlement by force is never a lasting settlement.

### HAS COME TO LIFE

The British House of Lords has come to life. It has held the first all-night session in years and has attracted the attention of the world to its proceedings.

It is in order now for the Canadian Senate to rouse itself Tho' Canada's population so smallfrom its lethargy and rid itself of the stigma of being looked upon as an old man's home. But can it?

### Way to Ease Headaches, Pain Almost Instantly

METHOD OFTEN RELIEVES NEURALGIA AND RHEUMATIC PAINS IN MINUTES!

Remember the pictures below when you want fast relief from pain. Demand and get the method doctors prescribe - Aspirin.

Millions have found that Aspirin eases even a bad headache, neuritis or rheumatic pain often in a few minutes!

In the stomach as in the glass here, an Aspirin tablet starts to dissolve, or disintegrate, almost the instant it touches moisture. It begins "taking hold" of your pain

practically as soon as you swallow it. Equally important, Aspirin is safe. For scientific tests show this: Aspirin does not harm the heart.

Remember these two points: Aspirin Speed and Aspirin Safety. And, see that you get ASPIRIN. It is made in Canada, and all druggists have it. Look for the name Bayer in the form of a cross on every Aspirin tablet.

Get tin of 12 tablets or economical bottle of 24 or 100 at any druggist's.

### Patriotic Canada

Trumpets and bugles were blown. England has entered the war In the biggest battle ever known," Came the message fast from far.

Canada heard the mighty call Canada unhesitantly replied.

Canada did not stop to wonder If she should enter the fight, But like a God sent thunder,

She came with her arm of might The mightiest men of her land Traversed the foe-infested sea To answer their hearts' command, True, loyal Canadians to be.

The enemies were truly strong. The battle bitter and fatal, But whether right or wrong, Canada stops not even at death'

portal. Many of her men bravely died, With a victorious smile on each

face; For it was not to be denied.

It was to victory they did pace. Ah! Then the day finally came When we were once again vic

torious. While we again upheld our name; Patriotic, loyal-names so glor-

May our men who so bravely fought, Its glorious name ever keep, And those who now liveth not, Ever peacefully in victory sleep.
