Wake up your Liver Bile

-Without Calomel You are "feeling punk" simply because your liver isn't pouring its daily two pounds of liquid bile into your bowels. Digestion and elimination are both hampered, and your entire system is.

THAT DEPRESSED FEELING

IS LARGELY LIVER

What you need is a liver stimulant. Some-thing that goes farther than salts, mineral water, oil, laxative candy or chewing gum or roughage which only move the bowels—ignoring the real eause of trouble, your liver.

Take Carter's Little Liver Pills, Purely vegetable. No harsh calomel (mercury). Safe. Sure. Ask for them by name. Refuse substitutes. 25c. at all druggists.
