Robert Connell and Ernest

the Legislature, and Ernest Bakewell, M.L.A. for Mackenzie, addressed another largely attended public meeting in the Moose Hall last night. Both addresses were along somewhat academical and educational lines. His remarks being inspired by matter which had appeared in "Campaign Echoes" during the provincial election contest, Mr. Connell confined his speech largely to an exposition of the relations of the C. C. F. movement to Communist and Marxian theories. Mr. Bakewell dealt at some length with the timber industry and public health service policies of the C. C. F. The meeting was presided over by G. W. Rudderham.

"Campaign Echoes" were typical of the campaign which had been carried on in the newspapers against the C. C. F., stated Mr. Connell. Communism had been set up s a spectre to be feared.
