Good Faith Has Been Shown by Setting Minimum Wage, Minister of Labor Feels-Both Sides Must Ask For Mediation

VICTORIA, April 11: (CP)-The British Columbia government will not re-enter the logging strike in the role of mediator unless asked to do so by both sides, Hon. George S. Pearson, minister of labor, stated yesterday. The government had demonstrated its good faith by setting a minimum wage scale and settlement now rested between the two parties concerned,

The men have declared they will LOG CAMPS the minister stated. erators recognize camp committees and the operators indicate that they do not intend to re-open until after the fire season is over.

The Comox Logging and Railway More Men Brought to Islands By Co. is the only operator that has re-opened its camps.

## Special Powers Act is Again Discussed in Ottawa House; Bennett Demands Protection

OTTAWA, April 11: (CP)—The Dominion government must be placed in a position to "protect the functions of this federal parliament from usurpation," Premier R. B. Bennett informed the House of Commons today during debate on the unemployment relief bill. The Premier was dealing with the situation in British Columbia where special powers have been granted the provincial government.

OTTAWA, April 11: (CP)—British Columbia's Special Powers Act came in for discussion in the House of Commons again yesterday when Wilfrid Hanbury, Liberal member for Vancouver-Burrard, asked in what particular Covenant, 7,000, Atlin, 7.9c and 4c. a provincial executive, clothed with such power as the British Columbia government had, could do anything a legislature could not do.

Prime Minister R. B. Bennett replied, and the Dominion government might disallow it. However, Province Highest in the case of an executive with all the powers of a legislature, it would

## Minister of Labor Promises Federal Loans For Building Schemes to Give Employment

OTTAWA, April 11: (CP)-Hon. Wesley A. Gordon, minister of labor, promised yesterday that the government would give consideration to a scheme of lending money to provinces and municipalities to be expended in building programs for the purpose of providing employment. The government would not deal direct with the municipalities, Mr. Gordon said. but it was hoped to devise some means of giving them help in this way.

Earlier in the day Premier Bennett said he could not see when the federal building program might

commence.
