YOUR GROCER WILL HELP YOU KEEP HEALTHY AND HAPPY

Delicious Cereal Promotes Regular Habits

The right kinds of foods form the very basis of health. You need nourishment for strength and energy. And you need "bulk" to prevent common constipation.

Otherwise, this ailment may cause headaches, loss of appetite and energy. You can correct it, usually, by eating a delicious cereal.

Kellogg's ALL-BRAN adds generous "bulk" to your daily menu. Tests show this "bulk" is similar to that found in leafy vegetables. Inside the body, the fiber of ALL-BRAN absorbs moisture, and forms a soft mass. Gently, this clears out the intestinal wastes.

ALL-BRAN is also a good source of vitamin B and iron. Isn't it safer-and pleasanter-

to enjoy this food in place of taking patent medicines? Two tablespoonfuls of ALL-BRAN

daily will overcome most types of common constipation. Chronic cases, with each meal. If seriously ill, see your doctor. ALL-BRAN makes no claim to be a "cure-all."

Serve ALL-BRAN as a cereal with milk or cream, or cook into fluffy muffins and breads.

Remember, Kellogg's ALL-BRAN is all bran with only necessary flavoring added. It contains much more needed "bulk" than part-bran products. Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.
