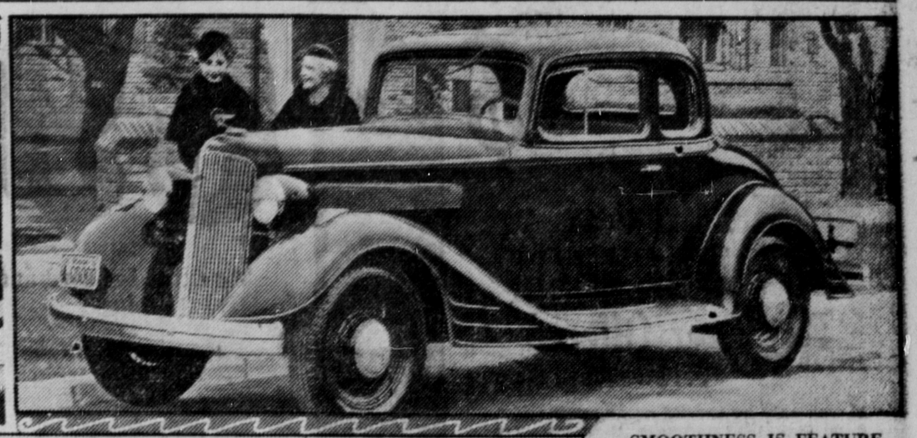
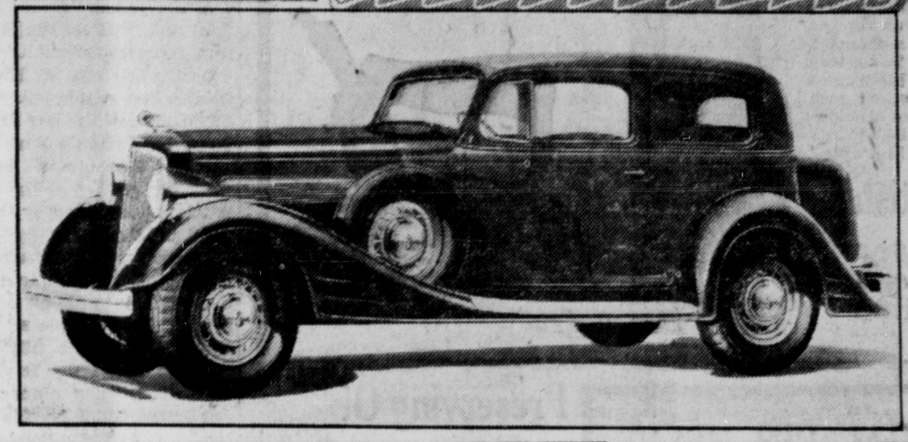
Graceful Pontiac Straight Eights for 1934 Announced





SMOOTHNESS IS FEATURE

The Pontiac Straight Eight for 1934 has not only achieved still greater fuel economy, but the 84-horsepower engine is said to operate with a smoothness excelled by few cars even among the highest priced. The 1934 Pontiac bodies are roomier than ever and the chassis, of course, has that remarkable innovation—knee-action front wheels, the mechanism for which is enclosed in an oil-filled housing. A cross section of the knee-action wheel mechanism is shown in upper left. Upper right, one of the coupe models. Below the 5-passenger special coupe with trunk.
