**THE COSY CORNER**  
DEVOTED PRINCIPALLY TO THE INTERESTS OF WOMEN

This is a little section of the paper, which from day to day will be devoted to subjects of special interest to women. Any and all of the ladies of Prince Rupert are invited to contribute to its columns, and to take part in its discussions. Suggestions and criticisms are invited by the editor. The hope is expressed that "The Cosy Corner" will fill a social need.

### NATTY BATHING SUIT

### Fashion's Latest

There is another model in crepe de chine quite unlike the just described but equally charming. It is trimmed with a wide band of net, richly embroidered in the finest of gray silk embroidery. This band goes diagonally across the skirt, and the upper part of the waist and lower part of sleeves are made of the embroidery. Long sash ends of velvet or satin of a contrasting color give a certain note of distinction and originality if it is not desired to keep it in one color. Such a model could be copied in dark color to good advantage, using black crepe de chine and white filet lace over black chiffon.

For summer evening gowns crepe de chine combined with voile chiffon of the finest and sheerest of lace net makes up most attractively, and a very charming simple evening gown of these materials can be made at surprisingly low cost. The upper part of waist should be chiffon or net, and the lower skirt, if trimmed with a band of passementerie or of jetted or embroidered trimming or even bead fringe, is becoming and extremely smart.

### Causes of Cake Failures

Housewife S.: Your cake batter is probably too thick for layer cake, that is why it rises in the middle and not at the sides. It is coarse-grained and full of holes because it is not rich enough, has too much rising and is not sufficient beaten.

### Evening Refreshments

For an informal little party serve lemonade, and if it is cool enough, coffee, with sandwiches, and a couple of kinds of cakes. You do not "have" to have ice cream. If each item in the above is nice of its kind, it is quite sufficient for the occasion.

### Telkwa Leaves Rupert

When the C. P. R. S.S. Princess Era left for the south last night she took with her the launch Telkwa which belonged to Dr. Ewing who is now up river. She did a good deal of hospital work in the days of the old general hospital by the waterfront near Vickersville. She will be put in commission again at Vancouver.

### Back to Rupert

Mr. J. H. McLeod of the Customs Department has returned from a business and pleasure trip to Skagway. He arrived last night by the City of Seattle.

**ITEMS OF SPORT**  
New York, Aug. 3.—The sport world was today mildly interested in the announcement that Tom Sharkey has joined the ranks of managers. He has taken Jim Barry under his managerial wing and declares that Jim is the only genuine white hope.

Humboldt, Iowa, Aug. 3.—Frank Gotch, champion wrestler of the world, is getting into training for his coming match with Hackenschmidt, on Labor Day. He does fourteen miles of road work in the morning and works on the gripping machine, plays hand ball and wrestles.

Jack Holland, who is well known in Pacific Northwest baseball circles and who is now owner of the St. Joseph club in the Western League, is accused of trying to assault Manager Jack Hendricks of Denver. The trouble grew out of the allegation that Hendricks had sent telegrams to Denver saying that Denver was defeated in St. Joseph solely through the rowdism of St. Joseph fans.

Danny Murphy, the Athletics' right fielder, says the New York Highlanders have too many signals. Too many signs, according to Dan, are too much of a task for the ordinary run of ball-players.

The St. Louis Cardinals, the Denver and Omaha clubs are lucky baseball teams. The three outfits have been in railroad disasters this season when a number of passengers were killed, and not a ball player was seriously injured.

Jack Coombs' father's faith that his big son will be pitching baseball when he is 45 years old is not based upon the best of premises. It is a great thing to be a "stout boy" like Jack or Ed Walsh, but it is the pitcher that has the smoothest action that can stand the wear and tear the longest. Dr. Harold Ernst, the eminent bacteriologist, was the true prophet when he said years ago that Cy Young's action was so smooth that there was no reason why his arm should ever give out.

San Francisco, Aug. 3.—Freddie Welsh will not box anyone before his meeting in Los Angeles next November, if Tom McCarey can prevent it. Such is the word which comes up from the southern city to add one more difficulty to the fulfillment of Promoter Clark's hope of securing one of both of these fighters for a Labor Day match in this city.

**CHAMPION OF TENNIS**  
Joe Tyler of Spokane is the successor of Bernard Schwengers of Victoria as lawn tennis champion of the mainland of British Columbia. Joe captured the title on Saturday at the Vancouver Lawn Tennis Club's courts by beating C. E. Foley of San Francisco after a keenly contested game. Foley won the first set 6-3, but lost the next by the same margin. The third set was long drawn out and Foley won eventually by 12 to 10. The pace proved too strenuous for the Californian, however, and he weakened, losing the next two sets 6 to 3 and the match.
