Premier Pattullo, Recovered From Infection, Today Leaves Hospital; Entraining For East

Premier T. D. Pattullo, who has been a patient in the Prince Rupert General Hospital for the past ten days, was sufficiently recovered to be able to leave that institution this morning and will resume his interrupted journey east, leaving Prince Rupert this evening for Ottawa to attend the Dominion-provincial conference. Numerous disturb-

as to the gravity of the Premier's

illness, it was thought advisable by

his physicians, Dr. W. T. Kergin and

Dr. J. H. Carson, to issue the fol-

"Premier Pattullo, on his arrival

here ten days ago, was suffering

from a severe septic infection of the

nose from which he was quite toxic.

For the first four days there were

fears that the infection might be-

serious character. However, the in-

fection was limited to the nose and

Mr. Pattullo has for the past few

days made steady and satisfactory

improvement, so much so that it

is now considered safe for him to

proceed east by train. In every
